

# "QUIZ'ENTIALS" GAMES – for fun and knowledge enhancement

## 1. PURSUIT (similar to Jeopardy)

- \* KJV and NIV responses
- \* variety of title & category cards
- \* NOT a question\answer reversal format
- \* quizzers interact with learned material in a unique and fun way
- \* point values are color coded
- \* instructions for optional game board

## 2. WHEEL OF KNOWLEDGE (similar to Wheel of Fortune)

- \* "spinner" for point or 'money' value
- \* "surprise" and "free spin" cards
- \* "alphabet page" with red letter vowels
- \* wide variety of categories
- \* each point value on color coded cardstock

## 3. VISIONARY (envision it, draw it, guess it!)

[You might even want to play "charades"]

- \* fun for everyone starts by selecting a color coded card and a place to draw
- \* 6 game variations – choose your favorite
- \* tremendous selections for each point value

## 4. FIVE FAVORITES FOR FUN (great new 'twist' for 'old' favorites)

- \* JBQ style "Mother, May I" (gives beginners encouragement even when not "quite" right)
- \* JBQ style Tic-Tac-Toe (discover numerous varieties of play with JBQ Facts)
- \* JBQ style Stoplight (encourages interrupt skills, beginners aren't intimidated by experienced quizzers, great for reinforcing "team" effort and cooperation)
- \* JBQ style Red Rover (supports Christ-like attitudes and team effort – indoor \ outdoor variations)
- \* JBQ style Sword Drills (lots of UNIQUE ways to reinforce learning with a few fun variations)

## 5. HIGH ROAD TO ADVENTURE (even the youngest can play)

- \* 10 point game - reinforces learned materials
- \* includes official game board
- \* includes "spinner" and "pawns"
- \* learning segments cover most of the 10 point material printed on colorful 'cards'
- \* watch out for the "back track" space while hoping to land on "short cut" spaces !
